# What is a Discovery Retirement Optimiser?

The Discovery Retirement Optimiser uses a retirement annuity to help you save towards retirement. A retirement annuity is an investment that helps you save for retirement. It offers significant tax advantages to encourage saving, and you can invest a lump-sum or make regular contributions. You can use it as your main investment for retirement or in addition to your employer's retirement fund.

## Features of a Retirement Annuity

Tax advantages that make your investment grow faster.

No withdrawals until age 55, which means that you preserve your savings for retirement.

Guidelines and limits on how you can access your money when you retire to ensure your savings last as long as possible in retirement.

There are regulatory guidelines about where you can invest your retirement savings.

# Summary of this investment

The Discovery Retirement Optimiser is a retirement savings plan that provides you with a lump-sum enhancement to your savings, as well as immediate fee discounts and long-term fee refunds. This plan is suitable for you if you are a Discovery Life Plan owner and want to increase your savings before you retire – and get more out after you retire.

# A wide choice of funds to invest in

There are over 200 funds to choose from managed by leading investment managers. You can choose from either Discovery funds or external funds, giving you the diversification you need.

## Your plan is a collection of funds

Once you have chosen your investment plan, you decide which funds to invest your money into. Your decision should align with the investment strategy that you and your financial adviser agreed on and the investment goals you have.

We offer you access to a range of unit trust funds across various investment managers through a single entry point. This means you can invest in our investment plans and choose investment funds that are managed by leading investment managers. Discovery funds (with the exception of the Discovery Money Market Fund) qualify for refunds on asset management fees at retirement or for an immediate discount on asset management fees. The list of qualifying funds may be updated from time to time and can be seen on individual fund fact sheets available at

You can invest in Discovery funds where our investment managers pick the right blend of asset classes (shares, bonds, cash, property and so on) to reach your investment goals.

You can invest in funds managed by top external investment managers.

We offer both local and offshore investment opportunities.

# Competitive fees for your investment

There are certain fees that apply to our retirement annuities. The Discovery Retirement Optimiser offers you fee refunds at retirement as well as immediate fee discounts on some of the below fees.

## Fees to Discovery Invest

There are no initial investment fees to Discovery Invest. We charge a yearly admin fee.
