

REASONS WHY REMEDI IS YOUR SCHEME OF CHOICE

Only certain people, who work for participating employer groups, can belong to Remedi Medical Aid Scheme. A medical scheme with restricted membership can have some advantages.

AFFORDABILITY

You belong to a Scheme that offers great benefits at very competitive rates. Here are four important points that illustrate this.

01

CONTRIBUTION INCREASES

6.4% average contribution increase over the past 15 years

02

CONTRIBUTION HOLIDAYS

R187 million given back to members in 2019 and 2020 to ease financial burden

03

NO BROKER FEES

Means **lower Scheme costs** and lower contribution increases

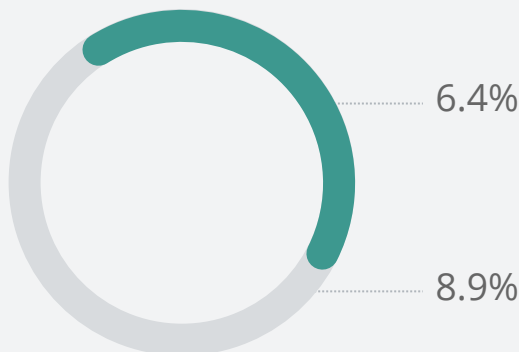

04

MARKETING & ADVERTISING

Costs are low because we don't advertise to the broader public
