# Making quality healthcare

affordable and accessible for all

## Private healthcare

We all value access to affordable healthcare. Discovery Prepaid Health lets anyone in South Africa take charge of their wellbeing with an affordable and accessible solution.

## Buy and share

Anyone can buy and share vouchers for prepaid healthcare services at affordable rates. These services are supported by a wide network and a free digital platform.

## Prepaid Health

Anyone can buy Discovery Prepaid Health vouchers for themselves or their loved ones to get access to affordable, quality healthcare.

This is for people without healthcare cover, those with a hospital plan, or medical aid members who have run out of funds in their Medical Savings Accounts.

## Prepaid Health platform

Use the Discovery Prepaid Health platform to buy vouchers or see a GP online. The free platform is available through WhatsApp. You don't have to belong to a medical aid to use Discovery Prepaid Health. However, if you are a Discovery Health Medical Scheme member, you can also access the platform through the Connected Care web app.

There are no registration or other fees to use the platform. Anyone in South Africa can use Discovery Prepaid Health services, but minors must be with an adult.
