

QUALITY CARE IN OUR **2023**

HOSPITAL NETWORK

Find a network facility for your health plan option

Hospital Networks

All Discovery Health Medical Scheme health plans offer unlimited hospital cover. You are covered in any facility approved by the Scheme. The funding of newly licensed facilities is subject to approval by the Scheme, on all health plans. The below listed plans offer cover for planned admissions in a defined network: Classic Smart Comprehensive, Delta options, Smart and KeyCare plans. On the Coastal plans you can go to any approved hospital in the four Coastal regions. There are currently some hospitals which are partially funded.

KH KeyCare Hospital Network

You must go to a hospital in the KeyCare Hospital Network for planned admissions on the KeyCare Plus and KeyCare Core plans. If you do not use one of these hospitals for a planned admission, you will need to pay for these claims. **This does not apply in an emergency.**

KC KeyCare Casualty Hospitals

On KeyCare Plus you are covered in any network casualty unit at one of the KeyCare network hospitals. You have to pay the first R450 of the consultation and cover is subject to authorisation. If you use a casualty unit outside of the KeyCare Casualty Network, you will have to pay the difference between what the Scheme pays and what is charged. On KeyCare Start you have access to after-hours care at your chosen KeyCare Start GP or network provider.

KS KeyCare Start Hospital Network

These hospitals apply to members on the KeyCare Start plan. We cover you in full at the agreed rate in your chosen KeyCare Start Network Hospital. If you do not use your chosen hospital for a planned admission, you will need to pay these claims. Based on your chosen KeyCare Start GP you have access to a KeyCare Start Network Hospital in your region. **This does not apply in an emergency.**

KR KeyCare Start Regional Hospital Network

These hospitals apply to members on the KeyCare Start Regional plan. We cover you in full at the agreed rate in your chosen KeyCare Start Regional Network Hospital. If you do not use these hospitals for a planned hospital admission, you will need to pay these claims. **This does not apply in an emergency.**

D Delta Hospital Network

These hospitals are applicable to Classic Delta Comprehensive, Essential Delta Comprehensive, Classic Delta Saver, Essential Delta Saver, Classic Delta Core and Essential Delta Core network options. For planned admissions to any other private hospital, you must pay an upfront amount of R9,650. **This does not apply in an emergency.**

S Smart Hospital Network

These hospitals apply to members on the Classic Smart and Essential Smart Plans. For planned admissions to any other private hospital, you must pay an upfront amount of R11,000. **This does not apply in an emergency.**

On the Essential Dynamic Smart Plan, you have access to Ask Discovery which will dynamically guide you to the most efficient hospital with the highest quality of care given your healthcare needs at that specific point in time. For planned admissions to any other private hospital, you must pay an upfront amount of R13,250. **This does not apply in an emergency.**

The full extent of the Essential Dynamic Hospital Network will become available during the second half of 2023. Members on the Essential Dynamic Smart Plan can use healthcare providers in the Smart Network until the new network is available.

C Coastal Hospital Network

On the Coastal Saver and Coastal Core health plans, you must go to an approved hospital in one of the four coastal provinces (Eastern Cape, KwaZulu-Natal, Northern Cape, Western Cape) for a planned admission. If you use a hospital outside of the coastal regions, we will pay up to a maximum of 70% of the Discovery Health Rate (DHR) for the hospital account. **This does not apply in an emergency.** Visit www.discovery.co.za or click on Find a healthcare provider tool on the Discovery app to find a hospital on the Coastal Hospital Network.
