Thank you for deciding to register your newborn baby on your Remedi Medical Aid Scheme membership. Please make sure you read and understand the terms and conditions for membership.

## Who we are

Remedi is the medical scheme, registration number 1430, which is registered with the Council for Medical Schemes.

Discovery Health (Pty) Ltd (referred to as "the administrator") is a separate company and an authorised financial services provider (registration number 1997/013480/07), which takes care of the administration of your membership of Remedi.

## How to complete this form

- 1. Please use one letter per block, complete in black ink and print clearly.
- 2. Please make sure the main applicant signs this application and dates any changes.
- 3. Hand the completed and signed form to your employer contact.
- 4. Provision is made in this form for you and your dependants to provide information relating to your race. This information is required by the Council for Medical Scheme for statistical purposes only. You are not compelled to provide this information.
- 5. Please attach a copy of your newborn baby's birth certificate.

When you sign this application, you confirm that you have read and understood the terms and conditions for membership and agree to them.

If you have any questions, please let us know. Once we have assessed the application, we will let you know if your baby has been accepted and what will happen next.

## Please note:

For us to accept your newborn baby without any conditions, you must register your newborn baby within 30 days of his or her birth and cover must start from the date of birth. If you do not register your baby from the day he or she is born, you have to pay backdated contributions.

If you are applying after 30 days from the birth of your newborn baby or you want the cover to start on any other day after the date of birth, we may apply certain conditions to your baby's membership on Remedi Medical Aid Scheme. You will need to complete a different application called "Application to add a dependant to Remedi Medical Aid Scheme"
